Approval of 2012 meetings

Proposed G4WUG
Seconded M0NKR

Matters Arising

Tony G0MQG change of Callsign from G4PFN to G0PFN in section 5

Chairman's Report

Roger G3LDI mentioned use of the repeater greater in the past few months, Main abuser was resolved with help from members of NARC.

Some smaller abuse is still happening which will be investigated by NRG.

Roger also mentioned club nets and echolink on GB3NB. Also emphasised the need for a longer gap.

Sec Reports

Mentioned gaps echolink and moving to the repeater site in the distance future.

Treasurers Reports

Chris G0TZZ gave overview of the club accounts of GB3NB, GB7NB and GB3AH
Attached

Chris G0TZZ gave thanks to 2E0CEY for auditing accounts.

Dodge M0TTN asked why 3 accounts, Chris G0TZZ answered re history of the accounting of NRG.

G0TZZ asked to combine all 3 accounts into 1 business account.

Initially proposed by 2E0CEY objected to by G3SEM as an auditor, proposed by G3SEM and seconded by G7URP

Unanimously approved.

Technical Report

G8VLL gave an overview of technical issues of the NRG

M6UES gave thanks to the use of Echolink but also asked to ensure for a gap to be left.

G8VLL mentioned about downtime when adding GB3NB to echolink.

G8SDU asked about GB3NR, in transit.

G7PQF asked if we are sharing the internet connection from GB7NB. Yes

M0UJD asked question regarding ctcss and if GB3NB is going to move completely to ctcss.

Election of Officers

All committee members stood down

The committee was prepared to stand for another year and as such was re-elected en mass unanimously.

Proposer Dodge M0TTN

Seconded Tony G0MQG

AOB

Dodge M0TTN, commented re M0ZAH and the 6M repeater and funding. Mark G0LGJ answered re had not had any approach from James but was in contact with him. But as all of the membership would not use 6M and they have funded GB3NB it would be difficult to offer any thing other than support.

Chris G0TZZ mentioned costs of the repeater group repeaters

GB3NB £2

GB3AH £5

GB7NB £10

Meeting closed. 20:58
